

## Our priorities

Our priority industries and issues for 2019-20 are:

- fast food, restaurants and cafes
- horticulture/harvest trail
- supply chain risks
- franchisors
- sham contracting.

Vulnerable workers will continue to be a priority, as will matters that:

- are of significant public interest or concern
- demonstrate a blatant disregard of laws or repeat offending
- are of significant scale or impact on workers or the community
- present as opportunities to test the law or use new parts of the law (eg. Protecting Vulnerable Workers, General Protections and / or Accessorial Liability).

While we will focus on these priority areas in 2019–20, we continue to monitor compliance more broadly and take action where needed, including on emerging and unforeseen issues.
