Ordinary hours are an employee's normal and regular hours of work, which do not attract overtime rates.

Awards, enterprise agreements and other [registered agreements \(www.fairwork.gov.au/Dictionary.aspx?TermID=2034\)](http://www.fairwork.gov.au/Dictionary.aspx?TermID=2034) set out any:

- maximum ordinary hours in a day, week, fortnight or month,
- minimum ordinary hours in a day,
- times of the day ordinary hours can be worked (eg. between 7am - 7pm).

The ordinary hours can be different for full-time, part-time and casual employees.

Spread of hours

The time of the day ordinary hours are worked is called the spread of hours (eg. between 7am - 7pm). Time worked outside the spread of ordinary hours can attract overtime rates.

Find more information about maximum and minimum hours of work and the spread of hours in your award by selecting from the list below.
