

Unpaid carer's leave

All employees, including casual employees are entitled to 2 days unpaid carer's leave.

Employees get 2 days unpaid carer's leave each time an immediate family member or household member of the employee needs care and support because of:

- illness
- injury or
- an unexpected emergency.

Full-time and part-time employees can only get unpaid carer's leave if they don't have any paid sick / carer's leave left.

Find out who is an immediate family or household member on the [Sick and carer's leave \(www.fairwork.gov.au/leave/sick-and-carers-leave/default\)](http://www.fairwork.gov.au/leave/sick-and-carers-leave/default) page.

Taking unpaid carer's leave

Unpaid carer's leave can be taken:

- in 1 continuous period (eg. 2 working days in a row) or
- in separate periods as agreed between the employee and employer (eg. 4 half days could be taken in a row).

An employer can't take negative action against an employee for taking unpaid carer's leave. To find out more, see [Protections at work \(www.fairwork.gov.au/employee-entitlements/protections-at-work/default\)](http://www.fairwork.gov.au/employee-entitlements/protections-at-work/default) .
